As the science and knowledge service of the Commission, the mission of DG Joint Research Centre is to support EU policies with independent evidence throughout the whole policy cycle.

The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: https://ec.europa.eu/jrc/.

JRC Directorate G supports policy DGs with independent, technical and scientific evidence in the areas of nuclear safety, security and safeguards. Directorate G is a key partner in international networks and collaborates with international organisations, research institutes and academia.

Unit JRC.G.2 provides high-quality reference nuclear data, measurement standards, science-based policy advice and training in support of EU policies for nuclear safety, security and safeguards. It has two accelerator-based nuclear data facilities, an underground laboratory, a radionuclide metrology and nuclear reference materials laboratories. The Unit cooperates with international organisations and offers open access to its nuclear facilities for researchers from EU Member States and EURATOM associated countries.

We are looking for a Secretary to provide administrative and organisational support to the Head of Unit in realizing the Unit's projects, processes, events and activities according to the applicable rules and procedures.

The selected candidate will carry out the following tasks:

- Assist with coordinating the Unit agenda, liaise with other secretariats, ensure business continuity under HoU direction, answer the telephone, filter calls and take messages, respond to general inquiries and manage the e-mail exchange.
- Set-up, organise and plan meetings and events, including support for JRC Open Access to the Geel site and other visitors.
- Record incoming and outgoing correspondence using archiving software (ARES). Archive documents and data relevant for reporting purposes and business continuity.
- Organise and follow-up business travel according to applicable rules and tools (reservations and MIPS), insert and monitor holidays, leave and absence records and similar personnel administration formalities.
