**POSITION FOR:**
Member of the contract staff – art. 3b of the Conditions of Employment of Other Servants

**WE ARE:**
As the science and knowledge service of the Commission, the mission of DG Joint Research Centre (JRC) is to support EU policies with independent evidence throughout the whole policy cycle.

The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: https://ec.europa.eu/jrc/

The Support Services Directorate of the JRC ensures the efficient and effective deployment of the resources necessary to support the JRC’s activities, in compliance with all applicable rules and regulations and to make the JRC sites safe, secure and attractive working environments.

The Site Management Ispra Department of the Support Services Directorate consists of the team of the Head of Department and 3 Units. Its mission is to make the Ispra site a modern, attractive and effective place to work. To develop the partnership with the client Directorates and Units on-site and to coordinate site management including corporate coordination (JRC-wide) of non-nuclear safety, security, ICT security as well as environmental measures. To be the main interlocutor with the Italian authorities on these aspects and to ensure the JRC Ispra acts as a good neighbour to the local community.

Within the Site Management Department, the Safety and Security Unit, where the position is required, has the mission to develop and ensure a safe, secure and environmentally sustainable working environment at the Ispra site, for its personnel and visitors, the premises and the information held on the site. To manage a reliable emergency response service.

**WE PROPOSE:**
We propose a position of Health and Safety officer. The candidate will act as deputy Safety Officers Coordinator (RSPP) for the people and infrastructure of the Ispra Site and will coordinate the different and relevant Safety Office’s management systems in place (ISO 45001) and contributes to the others if required (ISO 9001, ISO 14001, EMAS).

S/he will support on operational safety related issues by means of identification of hazards, assessment of risks and issue and follow-up of action plans, identification of safety measures for workplaces, selection of monitoring tools of safety measures, definition of safety training and information needs for workers.

The candidate will support JRC Ispra Safety Officers, Safety technicians and Fire Pickets by circulating information, stimulating discussions, agreeing on common actions and implementing harmonized solutions and as ASPP (Occupational Health and Safety Technician) for the people and infrastructures on the Ispra site.

**WE LOOK FOR:**
We are looking for a motivated and dynamic person able to adapt to a dynamic environment and work. The minimum requirements of the candidate based on the job description are:

- At least 2 years of experience as appointed RSPP (Safety officer) according to Italian Legislation is essential.
- At least 5 years of Experience in Safety related field is essential
- At least 3 years of Experience as ASPP or RSPP for activities related to two or more ATECO
Macro-sectors would be an advantage.
- At least 1 year of experience as ASPP/RSPP for activities in the field of chemistry, biologic, nuclear or construction would be an advantage.
- At least 2 years of experience in management of Management System OHSAS 18001 or ISO 45001 would be an advantage.
- Very good knowledge of spoken and written English (level B2).
- Very good knowledge of spoken and written Italian (level B2).

**INDICATIVE CONTRACT’S DURATION:**
36 months initial contract with possible renewals up to maximum 6 years.

**PLACE OF WORK:**
Ispra (IT)

**ELIGIBILITY CRITERIA:**
Candidates for this contract agent post shall:
- (i) have passed a valid EPSO CAST selection procedure;
or

With a valid application number to one of the above, you may then apply for this specific vacancy at JRC through: [http://recruitment.jrc.ec.europa.eu/?type=AX](http://recruitment.jrc.ec.europa.eu/?type=AX).

**RECRUITMENT POLICY:**
The Joint Research Centre
- Cultivates a workplace based on respect for other people and the environment.
- Embraces non-discriminatory practices and equality of opportunity. In case of equal merit, preference will be given to the gender in minority.
