FG IV – Project Officer – Information Management

<p>Position for: FG IV – Project Officer</p>	<p>As the science and knowledge service of the Commission, the mission of DG Joint Research Centre is to support EU policies with independent evidence throughout the whole policy cycle.</p> <p>The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: https://ec.europa.eu/jrc/</p> <p>In the Directorate for Competences, the Text and Data Mining unit aims to develop, provide access to, and apply text and (big) data mining, management and analysis. The Unit also provides support to the development of improved data management practices inside the JRC and coordinates JRC's contribution to the implementation of the action plan of the internal data strategy at the European Commission.</p> <p>We are looking for a new colleague to work in the data for policy team that should contribute to the further development of JRC as a data-driven organization. Data and information are essential components in policy making and the increased possibilities to combine data from different disciplines to obtain even stronger evidence require that necessary data, information and tools are readily and easily available. The successful candidate will work on identifying needs for managing the full data lifecycle and research novel tools, approaches and practices to address these needs.</p> <p>Qualifications:</p> <p>The successful candidate should have:</p> <ul style="list-style-type: none"> • a relevant academic background (University degree) in computer science and/or information science. • good knowledge of data/information lifecycle management. • good knowledge of metadata, data interoperability and data semantics. • practical experience in data/information management. • good knowledge of spoken and written English (B2). <p>In addition, the candidate should be independent, willing to take initiative and have good communication and team working skills. Research experience including publications in international peer-reviewed journals and/or conferences would be an asset.</p>
<p>Directorate Unit</p>	<p>Competences Text and Data Mining</p> <p>Further information: https://ec.europa.eu/jrc/</p>
