FG IV- Policy Officer - Support to Urban Development Strategies - URBADDEV

Position for:

FG IV - Policy Officer - Support to Urban Development

As the science and knowledge service of the Commission, the mission of DG Joint Research Centre (JRC) is to support EU policies with independent evidence throughout the whole policy cycle.

The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: <https://ec.europa.eu/jrc/>

The mission of the Territorial Development Unit within the Growth and Innovation Directorate of the JRC is to perform research and analysis as policy support at the crossroads of EU regional, cohesion, R&I and industrial policies, including the assessment of economic and territorial impacts, to enhance the formulation and implementation of policies and more effective and efficient use of EU funds.

This vacancy concerns the URBADDEV project that provides analytical and methodological support to the urban and territorial dimension of the EU Policy. URBADDEV includes elements of research and policy advice in the area of integrated and strategic approach to urban and territorial development.

We are looking for a researcher in the field of urban and territorial development.

The primary duties include:

- i. Analysis of strategies of urban and territorial development, including in-depth analysis, development of case studies, policy evaluation, spatial and territorial analysis;
- ii. Elaboration of recommendation and methodological support in implementing the integrated approach to urban and territorial development;
- iii. Development of evidence-base, innovative analysis and methodological support to policy-making at urban and territorial level;
- iv. Realisation of studies on selected topics of particular urban relevance.

The ideal candidate has studied and/or has relevant experience in one or more of the following areas: urban planning and/or urban development, urban and territorial

	<p>policy, policy analysis, spatial analysis, urban studies, socioeconomic research or equivalent domains.</p> <p>Candidates should ideally have a PhD (doctoral diploma) or a minimum of 5 years professional experience after university studies of at least 3 years attested by a diploma.</p> <p>A very good level of written and spoken English is essential.</p>
