**FG IV - HEALTH AND SAFETY OFFICER -  
APPOINTED RADIATION PROTECTION  
EXPERT LEVEL III**

<p><b>Position for:</b></p> <p><b>FGIV - Health and Safety Officer</b></p>	<p>As the science and knowledge service of the Commission, the mission of DG Joint Research Centre is to support EU policies with independent evidence throughout the whole policy cycle.</p> <p>The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: <a href="https://ec.europa.eu/jrc/">https://ec.europa.eu/jrc/</a></p> <p>The Support Services Directorate ensures the efficient and effective deployment of the resources necessary to support the JRC's activities, in compliance with all applicable rules and regulations and to make the JRC sites safe, secure and attractive working environments by providing efficient customer-driven services to facilitate the current and future scientific activities of the JRC while ensuring that JRC sites act as a good neighbour to their respective communities at large.</p> <p>The Site Management Ispra Department of Directorate for Support Services consists of the team of the Head of Department and three Units. Its mission is to make the Ispra site a modern, attractive and effective place to work. To develop the partnership with the client Directorates and Units on-site and to coordinate site management including corporate coordination (JRC-wide) of non-nuclear safety, security, ICT security as well as environmental measures. To be the main interlocutor with the Italian authorities on these aspects and to ensure the JRC Ispra acts as a good neighbour to the local community.</p> <p>Within the Site Management Department, the Safety and Security Unit, where the position is required, has the mission to develop and ensure a safe, secure and environmentally sustainable working environment at the Ispra site, for its personnel and visitors, the premises and the information held on the site and to manage a reliable emergency response service.</p> <p>The job will consist in acting as JRC Ispra Appointed Radiation Protection Expert level III according to the Italian Legislation and providing support to the decommissioning and waste management program through the advice and assessments required. The candidate must ensure the correct application of the radiation protection provisions in the JRC site, also via instructions to the radiation protection support including contractors, and ensure follow-up. Furthermore, the candidate must ensure preparedness for the radiation protection response to nuclear emergencies on the JRC Ispra site, including participation in the Stand-by duty service for Radiation Protection Experts of the JRC Ispra site and provide</p>
