<http://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=CONSLEG:1962R0031:20110101:EN:PDF>

WE ARE:

As the science and knowledge service of the Commission, the mission of DG Joint Research Centre is to support EU policies with independent evidence throughout the whole policy cycle.

The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: <https://ec.europa.eu/jrc/>

The "New European Bauhaus" Unit is based in Brussels and Ispra. It is directly attached to the Director General of the JRC. Its mission is to coordinate the design and the implementation of the New European Bauhaus initiative announced in the 2020 State of The Union Speech of President von der Leyen. The coordination will involve both the engagement with external stakeholders and with the Commission services with a view to refine the concept and design a set of complementary EU actions to support the integration of sustainability, aesthetics and inclusion in the shaping and regeneration of our living spaces.

The Unit will then coordinate the resulting projects and initiatives across a delivery phase and support the knowledge sharing across them and beyond, leading to a diffusion phase.

The Unit will be work on two complementary strands closely articulated:

- The Design and Communication pole that will shape and implement an engagement strategy and curate an ideation and deliberation space involving interested parties and Commission services. It will also establish the necessary Communication platforms and formats and manage emerging communities around the New European Bauhaus movement.
- The Policy and delivery pole that will secure the articulation of the New European Bauhaus initiative with the existing EU policies and instruments and coordinate the mobilisation and combination of relevant EU instruments in support to the initiative. It will draw the lessons of a pilot phase to inform a wider dissemination phase.

WE PROPOSE:

We are looking for an experienced Community Manager/Communication Officer motivated by the building and servicing of a heterogeneous Community gathering around the objectives of the New European Bauhaus.

Main activities will include:

- Mobilise relevant knowledge and experience in the fields of Community building and management methods for policy innovation and implementation at EU level;
- Shape and manage communication and community management platforms and tools to support experience and knowledge sharing across the New European Bauhaus Community;
- Provide contributions to briefing, assistance and support to the Directorate General and/or Cabinet the New European Bauhaus;
- Identify possible partnerships, synergies and opportunities with Commission services as well as with interested stakeholders in Member States to develop and use community development methods and features in support of the New European Bauhaus;
- Defining and running interfaces to bring innovation in policymaking;
- Create, prepare and run innovative and multidisciplinary interfaces, preferably visual ones, allowing interaction with various stakeholders aimed at identifying new policy/societal challenges in relation to the New European Bauhaus initiative;

- Initiating and maintaining regular contacts and exchanges with other Directorate Generals of the European Commission, other European Institutions, Member States, third countries, public and / or private international organisations and / or with stakeholders interested in the New European Bauhaus.

WE LOOK FOR:

Suitable candidates should:

- Have a completed university studies of at least 3 years attested by a diploma;
- Demonstrate a minimum of 3 years of professional experience in the field of Community building and management and associated communication fields. Experience in Website and other relevant IT platforms development and management would be an additional asset
- Have excellent English (C1) drafting and presentation skills;
- Be diplomatic, client orientated and capable to work in multidisciplinary teams;
- Able to work under pressure, to prioritise and organize work, delivering quality results on time.

INDICATIVE CONTRACT'S DURATION:

36 months initial contract with possible renewals up to maximum 6 years.

PLACE OF WORK:

Brussels (BE)

RULES AND ELIGIBILITY:

To be eligible for the position, the candidate must be on a valid EPSO reserve list for Function Group IV contract staff.

You can be added to an EPSO reserve list if you complete successfully an EPSO selection procedure.

Candidates who are on a valid EPSO reserve list or have applied to an EPSO selection procedure can apply to this specific position through <http://recruitment.jrc.ec.europa.eu/?type=AX>.

How to apply to an EPSO selection procedure?

Apply either to the permanent EPSO call (CAST Permanent) https://epso.europa.eu/documents/2240_en or a specialised call for researchers <https://ec.europa.eu/jrc/en/working-with-us/jobs/vacancies/function-group-IV-researchers>

The CAST Permanent reserve list is used by a wide range of organisations (institutions, bodies, offices and agencies of the European Union), whereas the specialised reserve list for researchers (JRC Call COM/1/2015/GFIV – Research) is mainly used by the JRC.

RECRUITMENT POLICY:

The JRC

- Cultivates a workplace based on respect for other people and the environment.
- Embraces non-discriminatory practices and equality of opportunity. In case of equal merit, preference will be given to the gender in minority.
