

EUROPEAN COMMISSION

JOINT RESEARCH CENTRE

2021-SVQ-B2-FGIV-017990

**FG IV - Information Systems Officer - EUROMOD Specialist**

**POSITION FOR:**

Member of the contract staff FG IV – art. 3b of the Conditions of Employment of Other Servants  
<http://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=CONSLEG:1962R0031:20110101:EN:PDF>)

**WE ARE:**

As the science and knowledge service of the Commission, the mission of DG Joint Research Centre is to support EU policies with independent evidence throughout the whole policy cycle.

The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: <https://ec.europa.eu/jrc/>

**The current vacancy is in the Fiscal Policy Analysis Unit of Directorate B for Growth and Innovation.** The directorate provides scientific support to improve European economic and financial governance and contributes to the reform of the European financial system. Further information about the unit's activities can be found via this link: <https://ec.europa.eu/jrc/en/research-topic/fiscal-policy-analysis>

**WE PROPOSE:**

A post in Seville for an Information Systems Officer to develop, coordinate and maintain the EUROMOD software, which includes the user interface, the plugins, the executable (the underlying calculator) and the configuration files needed to run the EUROMOD model. The EUROMOD model covers personal income taxation, social security contributions and social benefits for all the EU Member States. The objective is to ensure the handling of technical issues related to the maintenance and improvement of the EUROMOD model.

**WE LOOK FOR:**

The successful candidate will collaborate with the project manager on technical issues in the coordination of tasks with ESTAT and EUROMOD national teams and the duties will include but are not limited to:

- Planning of activities in relation with the maintenance, updates and improvement of EUROMOD.
- Performing technical and functional assessment and designing the updates and improvements required.
- Developing the necessary changes to implement the updates and improvements required.
- Providing technical support to the EUROMOD users.
- Coordinating with the local ICT department to assure the compatibility and compliance of the EUROMOD application with the European Commission guidelines.
- Drafting documentation for the ICT department and end-users

Candidates should ideally be knowledgeable in: Version Control Systems, Software engineering (programming) and User Interface Design. C++, C# and visual basic.NET programming, XML (Extensible Markup Language).

Candidates must have completed relevant university studies of at least three years duration and have at least three years of job-related experience. Knowledge of EUROMOD microsimulation model, STATA and knowledge of Spanish will be considered as assets. The working language is English and a minimum of level B2 is required for the post.

**INDICATIVE CONTRACT'S DURATION:**

36 months initial contract with possible renewals up to maximum 6 years.

**PLACE OF WORK:**

Seville (ES)

**RULES AND ELIGIBILITY:**

To be eligible for the position, the candidate must be on a valid EPSO reserve list for Function Group IV contract staff.

You can be added to an EPSO reserve list if you complete successfully an EPSO selection procedure.

Candidates who are on a valid EPSO reserve list or have applied to an EPSO selection procedure can apply to this specific position through <http://recruitment.jrc.ec.europa.eu/?type=AX>.

**How to apply to an EPSO selection procedure?**

Apply either to the permanent EPSO call (CAST Permanent) [https://epso.europa.eu/documents/2240\\_en](https://epso.europa.eu/documents/2240_en) or a specialised call for researchers <https://ec.europa.eu/jrc/en/working-with-us/jobs/vacancies/function-group-IV-researchers>

The CAST Permanent reserve list is used by a wide range of organisations (institutions, bodies, offices and agencies of the European Union), whereas the specialised reserve list for researchers (JRC Call COM/1/2015/GFIV – Research) is mainly used by the JRC.

**RECRUITMENT POLICY:**

The JRC

- Cultivates a workplace based on respect for other people and the environment.
- Embraces non-discriminatory practices and equality of opportunity. In case of equal merit, preference will be given to the gender in minority.
