FG III – Fire Fighters – Fire Rescue and Emergency Intervention Coordinators

POSITION FOR:

Members of the contract staff FGIII– art. 3b of the Conditions of Employment of Other Servants
<http://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=CONSLEG:1962R0031:20110101:EN:PDF>)

WE ARE:

As the science and knowledge service of the Commission, the mission of DG Joint Research Centre (JRC) is to support EU policies with independent evidence throughout the whole policy cycle.

The DG JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: <https://ec.europa.eu/jrc/>

The current vacancies are in the Safety and Security Unit, Site Management Ispra Department, Directorate for Support Services of JRC.

The Directorate ensures the efficient and effective deployment of the resources necessary to support the JRC's activities, in compliance with all applicable rules and regulations and to make the JRC sites safe, secure and attractive working environments by providing efficient customer-driven services to facilitate the current and future scientific activities of the JRC while ensuring that JRC sites act as a good neighbour to their respective communities at large.

The Site Management Ispra Department consists of the team of the Head of Department and 3 Units. Its mission is to make the Ispra site a modern, attractive and effective place to work. To develop the partnership with the client Directorates and Units on-site and to coordinate site management including corporate coordination (JRC-wide) of non-nuclear safety, security, ICT security as well as environmental measures. To be the main interlocutor with the Italian authorities on these aspects and to ensure the JRC Ispra acts as a good neighbour to the local community.

Within the Site Management Department, the Safety and Security Unit has the mission to develop and ensure a safe, secure and environmentally sustainable working environment at the Ispra site, for its personnel and visitors, the premises and the information held on the site. To manage a reliable emergency response service.

WE PROPOSE:

Four positions as Fire Fighters – Fire Rescue and Emergency Intervention Coordinators.

The jobholders will have an active role in fire prevention, people rescue and emergency. They will act as Fire Rescue and Emergency Intervention Coordinators, including the coordination of control room and of the shifts. They will, under supervision, oversee emergency and rescue operations, oversee assistance operations and assess and monitor fire prevention implementation.

Main tasks will also include overseeing and coordinating the response of any emergency on site, responding to fire alarms and emergency calls, emergency interventions in the event of fires, flooding, chemical spills, traffic accidents and first aid situations, driving fire fighting vehicles and ambulances and operate relevant equipment, advising on fire safety and prevention and practising first aid.

Furthermore, they will monitor and control running experiments or equipment in support of scientific activities as well as interventions and participations in nuclear emergency exercises.

WE LOOK FOR:

Candidates must have at least 5 years of experience in a professional fire brigade and in the field of firefighting, rescue and fire prevention. At least 3 years of experience in a role of team coordination is

also essential. 3 years of experience in the role of team coordination in a professional fire brigade will be considered as an advantage.

A sound working knowledge of English is essential. A basic knowledge of the Italian language would be desirable.

Possession of a driving licence to drive all vehicles is an advantage.

INDICATIVE CONTRACT'S DURATION:

36 months initial contract with possible renewals up to maximum 6 years.

PLACE OF WORK: Ispra (IT)

RULES AND ELIGIBILITY:

To be eligible for the position, the candidate must be on a valid EPSO reserve list for Function Group III contract staff.

You can be added to an EPSO reserve list if you complete successfully an EPSO selection procedure.

Candidates who are on a valid EPSO reserve list or have applied to an EPSO selection procedure can apply to this specific position through <http://recruitment.jrc.ec.europa.eu/?type=AX>.

How to apply to an EPSO selection procedure?

Apply to the permanent EPSO call (CAST Permanent) https://epso.europa.eu/documents/2240_en. This reserve list is used by a wide range of organisations (institutions, bodies, offices and agencies of the European Union).

RECRUITMENT POLICY:

The JRC

- Cultivates a workplace based on respect for other people and the environment.
- Embraces non-discriminatory practices and equality of opportunity. In case of equal merit, preference will be given to the gender in minority.
