FG IV - Evaluation Officer - Planning, Programming and Evaluation

POSITION FOR:

Member of the contract staff FGIV – art. 3b of the Conditions of Employment of Other Servants
<http://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=CONSLEG:1962R0031:20110101:EN:PDF>

WE ARE:

As the science and knowledge service of the Commission, the mission of DG Joint Research Centre (JRC) is to support EU policies with independent evidence throughout the whole policy cycle.

The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: <https://ec.europa.eu/jrc/>

The position is within the Strategy and Work Programme Coordination Directorate in the Quality Assurance and Evaluation Unit.

The mission of the unit is to coordinate the JRC's planning and reporting under the Commission Strategic Planning and Programming (SPP), to coordinate evaluations, to monitor the implementation of risk management and internal control standards, and to steer the implementation of the integrated management system.

WE PROPOSE:

The Quality Assurance and Evaluation Unit is looking for an evaluation officer who will provide methodological support to the further development of evaluation activities inside the JRC, and to assist with the implementation of the evaluation tools.

The evaluation activities are concerned with gathering and assessing quantitative and qualitative evidence for the impact of JRC's research on science, policy-making and society at large. Tools to be developed further include impact planning, monitoring (logging), case studies and the methodologies for their assessment. Training of JRC staff is an integral part of the duties. The job involves close cooperation with JRC scientists, policy DGs and external experts.

WE LOOK FOR:

Candidates should have a university degree in science, engineering, economics or political science (related to impact assessment or evaluation).

A job related experience, such as participation in impact assessments (of projects and/or portfolios) of at least one year is required. Training/experience in using specific methodologies such as logical framework analysis or impact mapping would be an advantage.

A good knowledge of English (B2) is required.

INDICATIVE CONTRACT'S DURATION:

36 months initial contract with possible renewals up to maximum 6 years.

PLACE OF WORK:

Brussels (BE)

ELIGIBILITY CRITERIA:

Candidates for this contract agent post shall:

– (i) have passed a valid EPSO CAST selection procedure;

or

– (ii) be registered in the EPSO Permanent CAST https://epso.europa.eu/documents/2240_en

or

- (iii) be registered in the specialised call for researchers <https://ec.europa.eu/jrc/en/working-with-us/jobs/vacancies/function-group-iv-researchers> (used mainly by the JRC).

With a valid application number to one of the above, you may then apply for this specific vacancy at JRC through: <http://recruitment.jrc.ec.europa.eu/?type=AX>.

RECRUITMENT POLICY:

The Joint Research Centre

- Cultivates a workplace based on respect for other people and the environment.
- Embraces non-discriminatory practices and equality of opportunity. In case of equal merit, preference will be given to the gender in minority.
