FG IV – Economic Analyst

POSITION FOR:

Member of the contract staff FG IV – art. 3b of the Conditions of Employment of Other Servants

<http://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=CONSLEG:1962R0031:20110101:EN:PDF>

WE ARE:

As the science and knowledge service of the Commission, the mission of DG Joint Research Centre (JRC) is to support EU policies with independent evidence throughout the whole policy cycle.

The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: <https://ec.europa.eu/jrc/>

The current vacancy is in Directorate B (Growth & Innovation), Unit B7 (Knowledge for Finance, Innovation and Growth) (JRC.B.7).

The Unit works across two JRC sites: Seville (Spain) and Brussels (Belgium). The location will be agreed with the selected candidate.

The Unit supports EU policies on growth, innovation and the financial union. The successful candidate will be part of the Input-Output Economics and Global Value Chains team. The team provides policy analyses based on empirical evidence to assess global value chains, investigate trade relationships between countries and sectors and gauge the economic, social and environmental effects of European policies on competitiveness, growth and jobs.

Further information:

<https://ec.europa.eu/jrc/en/research-topic/input-output-economics>

<https://europa.eu/!Un47Cp>

<https://publications.jrc.ec.europa.eu/repository/handle/JRC119785>

WE PROPOSE:

The successful candidate will contribute to the research agenda and policy support of the Unit under the supervision of the team leader. S/he will work in a team to produce original research work based on both quantitative methods and qualitative analysis.

S/he will carry out research and analysis in the field of macroeconomic general equilibrium models, international and interregional trade, global value chains, industry analyses and EU economic governance. More particularly some of the tasks include:

- Analysis of the national and regional socio-economic and environmental impacts of policy options, instruments and approaches related to economic, industrial and trade policies in the EU.
- Development of methodologies and tools for the combination of micro-economic and macroeconomic data of specific sectors for economic modelling under a common methodological framework based on National Accounts and Satellite Accounts.
- Development of global European Supply, Use and Input-Output Tables; National Accounting Matrices and global value chains indicators supporting EU monitoring of recovery and resilience policies.

WE LOOK FOR:

The candidate should have a strong academic background in Input-Output economics and/or National Accounts together with an advanced knowledge and experience in (national and regional) economics and

quantitative and qualitative analysis. A good knowledge of macroeconomic modelling, programming in R, GAMS, Stata and/or EViews, and a track record of publications would be an asset.

Ideally the candidate should have a PhD (doctoral diploma), or a minimum of 5 years of professional experience after university studies of at least 3 years attested by a diploma.

An excellent level of written and spoken English (C1 level) is essential. Knowledge of at least one other EU language would be an additional asset.

INDICATIVE CONTRACT'S DURATION:

36 months initial contract with possible renewals up to maximum 6 years.

PLACE OF WORK:

Brussels (BE) – Seville (ES)

The unit has a vacancy for a contractual agent in Seville (Spain) or Brussels (Belgium), final location to be agreed with the selected candidate.

The selected candidate needs to specify in the motivation letter his/her preferred place of work.

ELIGIBILITY CRITERIA:

Candidates for this contract agent post shall:

– (i) have passed a valid EPSO CAST selection procedure;

or

– (ii) be registered in the EPSO Permanent CAST <https://epso.europa.eu/en/documents/call-expressions-interest-0>

or

– (iii) be registered in the specialised call for researchers https://joint-research-centre.ec.europa.eu/working-us/jobs-jrc/temporary-positions/contract-staff-members/function-group-iv/job-opportunities-research-fellows-european-commission_en (used mainly by the JRC).

With a valid application number to one of the above, you may then apply for this specific vacancy at JRC through: <http://recruitment.jrc.ec.europa.eu/?type=AX>.

RECRUITMENT POLICY:

The Joint Research Centre

- Cultivates a workplace based on respect for other people and the environment.
- Embraces non-discriminatory practices and equality of opportunity. In case of equal merit, preference will be given to the gender in minority.
