The current vacancy is in the Directorate for Strategy, Work Programme and Resources. Its mission is to coordinate the implementation of the JRC Strategy, ensuring it is kept up-to-date and well aligned to policy developments; this includes resource planning, the translation of policy developments into the work programme, support to the implementation of the Euratom Treaty. Being responsible for building strategic partnerships and relations with customers and stakeholders, the Directorate also plays a strong role in enhancing the reputation of the organisation and the impact of its work on EU Policy.

The vacancy is within the Interinstitutional, International Relations and Outreach Unit, which has the mission to manage DG JRC's relations with its strategic stakeholders in the EU institutions, Member States, and international partners; to raise the profile and reputation of the JRC and of its activities through the coordination of the JRC outreach strategy. The post is located in Brussels.

WE PROPOSE:

A Policy Officer position to contribute to the JRC outreach strategy, ensuring smooth and effective relations with Member States counterparts and other stakeholders. Working with the team and the Head of Unit, s/he will liaise with Member States authorities and scientific organisations of excellence.

The selected candidate will ensure regular communication with stakeholders to identify opportunities for cooperation and to present JRC activities through high-level visits, training and events, in coordination with JRC scientific services.

S/He will supervise the preparation, promotion, implementation and monitoring of JRC non-monetary agreements.

S/He will contribute or take charge of relevant analyses, country profiles, policy papers and briefings.

WE LOOK FOR:

The ideal candidate must have a University degree. Relevant professional experience of at least two years is desirable.

Knowledge of English at C1 level is required.

INDICATIVE CONTRACT'S DURATION:

36 months initial contract with possible renewals up to maximum 6 years.
