FG IV - Designer Community Manager

POSITION FOR:

Member of the contract staff IV – art. 3b of the Conditions of Employment of Other Servants [Conditions of Employment of Other Servants](#)

WE ARE:

As the science and knowledge service of the Commission, the mission of DG Joint Research Centre (JRC) is to support EU policies with independent evidence throughout the whole policy cycle.

The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information available on the [JRC website](#).

The current vacancy is in the New European Bauhaus Unit of the JRC. The New European Bauhaus is a creative and interdisciplinary initiative that connects the European Green Deal to our living spaces and experiences. The New European Bauhaus initiative calls on all of us to imagine and build together a sustainable and inclusive future that is beautiful for our eyes, minds, and souls. Beautiful are the places, practices, and experiences that are:

Enriching, inspired by art and culture, responding to needs beyond functionality.

Sustainable, in harmony with nature, the environment, and our planet.

Inclusive, encouraging a dialogue across cultures, disciplines, genders and ages.

Further information: https://new-european-bauhaus.europa.eu/index_en

WE PROPOSE:

A contract agent position as Designer Community Manager to contribute to the further development of the New European Bauhaus, in particular to the management of the New European Bauhaus community, including in shaping and managing associated communication channels and tools (Website, social media, apps etc.).

Main tasks will include:

- Mobilise relevant knowledge and experience in the fields of Community building for policy innovation and implementation at EU level;
- Shape and run participatory processes activating the Community, including in the context of the NEB Lab;
- Bring in (design) process management, a missions approach or similar agile project management expertise for the further development of the NEB lab;
- Translate abstract information into concrete visually attractive concepts for the NEB community, e.g. in digital maps, manuals, tools, booklets, websites, etc.;
- Analyse needs from users or stakeholder groups and translate those needs into functional requirements for products that bring people together;
- Shape and manage communication and community management platforms and tools;
- Shape and manage mechanisms and tools to support experience and knowledge sharing across the New European Bauhaus Community;
- Provide contributions to briefing, assistance and support to the Directorate General and/or Cabinet the New European Bauhaus;
- Identify possible partnerships, synergies and opportunities with Commission services as well as with interested stakeholders in Member States to develop and use community development methods and features in support of the New European Bauhaus;

- Create, prepare and run innovative and multidisciplinary interfaces, preferably visual ones, allowing interaction with various stakeholders aimed at identifying new policy/societal challenges in relation to the New European Bauhaus initiative;
- Initiating and maintaining regular contacts and exchanges with other Directorate Generals of the European Commission, other European Institutions, Member States, third countries, public and / or private international organisations and / or with stakeholders interested in the New European Bauhaus;
- Design, organise, and facilitate meetings, workshops and other participatory processes with Commission services and external stakeholders in relation with the new European Bauhaus Community building and management.

WE LOOK FOR:

Candidates should have formal training in design and/or architecture with experience in shaping and managing communication tools (Website, social media).

Very good knowledge of English (C1) is essential.

INDICATIVE CONTRACT'S DURATION:

36 months initial contract with possible renewals up to maximum 6 years.

PLACE OF WORK:

Brussels (BE)

ELIGIBILITY CRITERIA:

Candidates for this contract agent post shall:

– (i) have passed a valid EPSO CAST selection procedure;

or

– (ii) be registered in the [EPSO Permanent CAST](#)

or

– (iii) be registered [in the Specialised Call for Researchers](#) (used mainly by the JRC).

With a valid application number to one of the above, you may then apply for this specific vacancy at JRC through its [vacancy page](#).

RECRUITMENT POLICY:

The Joint Research Centre

• Cultivates a workplace based on respect for other people and the environment.

• Embraces non-discriminatory practices and equality of opportunity. In case of equal merit, preference will be given to the gender in minority.
