WE ARE

The Medical Service Ispra (HR.D.5) is a preventive medicine service composed of approximately 45 professionals of different profiles (medical doctors, psychologists, nurses, social workers, laboratory technicians, administrative staff).

Our mission is to provide medical advice to the institution and to promote the health (physical and psychosocial) of the active staff members in the JRC sites of Ispra, Sevilla, Petten, Geel and Karlsruhe

We implement the statutory medicine (pre-employment visits and periodical medical surveillance) as foreseen in the Staff Regulations, the occupational medicine and medical radioprotection as foreseen by the occupational health laws, social support as foreseen in the Staff Regulations and psychological support as part of "Be Well" programme.

WE PROPOSE

We propose an attractive and challenging position for a medical nurse in a dynamic and committed team. A wide variety of activities are implied dealing with Occupational Health and Preventive Medicine: health assessment, health surveillance, medical screening, health education, health prevention, vaccinations, blood sampling, first aid treatment, emergency assistance, record of clinical data in medical files, track keeping of pharmacy products, educating and training of employees as necessary, familiarity with local and European safety legislation and quality procedures. Support to the quality control system, analyses, participation in corrective and preventive measures.

The infirmary has fixed hours with a very limited possibility in terms of flexibility.

WE LOOK FOR

We are looking for an experienced medical nurse to join a well-established Medical Service. The candidate should have a Bachelor diploma of Nurse and at least three years of relevant experience and should be able to demonstrate her/his experience in the areas.

We are looking for a dynamic, enthusiastic person with a high level of service orientation, discretion and flexibility. The jobholder must have a strong understanding of people. She/he must be able to work efficiently and with precision defining priorities in emergency conditions under stress. She/he must be well motivated and capable of continuing the provision of a quality service to the highest level. She/he should also have good communication skills and master basic computer skills.

She/he feels comfortable to work in a team, with colleagues in- and outside our DG and at all levels. A good command of written and spoken English.

HOW TO APPLY

If you are **already on a valid CAST FG III reserve list** you can directly submit your application at <http://recruitment.jrc.ec.europa.eu/?type=AX>.

If not, before applying to this position, **you must register** for the [Call for Expressions of Interest | EU Careers \(europa.eu\)](#) (CAST Permanent FG III), which is used by a wide range of organisations (institutions, bodies, offices and agencies of the European Union).
