Graphics support and Infographics to communicate on Science for Policy

Position for:

Trainee

As the science and knowledge service of the Commission, the mission of Joint Research Centre is to support EU policies with independent evidence throughout the whole policy cycle.

The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: <http://www.jrc.ec.europa.eu>

Short description of activity:

The Thematic coordination Unit of the Directorate for Knowledge Management is looking for a trainee to work with the Visual Communication team of the unit. He/She will contribute to the development of communication tools for the JRC, aiming at better communicating our role as the European Commissions' science and knowledge service.

The trainee will collaborate to:

- the development of info graphics on scientific topics and science for policy making;
- the designing of banners, posters, flyers and lay-out of publications;
- the development of graphical design for on-line purposes and social media, as well as for printed material.

Qualifications:

Essential:

- University degree in a relevant topic such as Graphical Design and excellent knowledge of Adobe CS tools;
- Good writing and oral communication skills and assertiveness, as well a problem solving attitude;
- Good level of English (B2).
