Secondary Movements in Migration and Asylum

<p>Position for:</p> <p>Trainee</p>	<p>As the science and knowledge service of the Commission, the mission of Joint Research Centre is to support EU policies with independent evidence throughout the whole policy cycle.</p> <p>The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: http://www.jrc.ec.europa.eu</p> <p><u>Short description of activity:</u></p> <p>The current vacancy is with the Demography, Migration and Governance Unit, of the Space, Security and Migration Directorate. This Unit carries out research in support of EU policies in migration and related fields and is responsible for the day-to-day operation of the Knowledge Centre on Migration and Demography.</p> <p>The European Commission's Knowledge Centre on Migration and Demography (KCMD) established in June 2016 is steered by JRC, DG HOME, and seven other services. It is tasked with providing solid scientific evidence for EU policy makers in migration, supporting the European Agenda on Migration and focusing on migration and demography developments at global scale addressing both short and mid-to-longer term policy needs.</p> <p>The KCMD is there to map and structure existing knowledge on migration, address some of the key knowledge gaps through its own research, extend the knowledge through networking with external partners, and disseminate its findings and care for their uptake by EU policy makers. Its activity areas span from legal migration and integration, to the external dimension of migration, to underpinning work in innovative data sources and data analytics.</p> <p>We are looking for a Trainee to contribute to developing a research project on secondary movements of people seeking asylum in the European Union. Secondary movements occur when migrants, including people who have requested asylum, move out of the EU Member State in which they first arrived in order to seek protection or settlement elsewhere.</p> <p>In particular the individual, under supervision of the Traineeship adviser, will:</p> <ul style="list-style-type: none">• collect, review and summarise the existing evidence of secondary movements in the research literature• collate, manage and analyse quantitative data with information on forms of mobility of asylum seekers between Member States. This involves cross-
--	---

	<p>referencing diverse datasets and drawing out key patterns from the data</p> <ul style="list-style-type: none"> highlight key findings on secondary movements and gaps in the available data, as well as recommendations for improving the evidence base in the future write up the study in a report <p>The candidate should be familiar with EU legal frameworks on migration and asylum (particularly the Dublin Regulation) as well as feel comfortable with basic data analytics.</p> <p><u>Qualifications:</u></p> <p><u>Essential:</u></p> <ul style="list-style-type: none"> Academic background in the social science or related fields, with demonstrated interest in the study of migration Very good data analysis skills Very good command of English (C1 level) both written and oral <p><u>For general eligibility requirements, please read the rules governing the traineeship scheme of the JRC:</u></p> <p>https://ec.europa.eu/jrc/en/working-with-us/jobs/temporary-positions/jrc-trainees</p>
