**Videos and animations to communicate on  
Science for Policy**

**Position for:**

Trainee

As the science and knowledge service of the Commission, the mission of Joint Research Centre is to support EU policies with independent evidence throughout the whole policy cycle.

The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: <http://www.jrc.ec.europa.eu>

**Short description of activity:**

The Knowledge Management, Methodologies, Communities and Dissemination Unit of the Directorate for Knowledge Management is looking for a trainee to work with the Visual Communication team of the unit. He/She will contribute to the development of communication tools for the JRC, aiming at better communicating our role as the European Commissions' science and knowledge service.

The role of the trainee will be:

- to produce short promotional videos, trailers and animations on JRC activities – from concept and script writing to post-production and dissemination;
- to produce motion graphics and animations from existing infographics or other graphic material;
- to film video interviews of JRC management and scientists and edit them;
- to edit video material developed by other units;
- to take photographs during visits and events, process them and upload them on the JRC photo gallery
- to take photo reportages of JRC laboratories and staff, process them and upload them on the
