

**2021-IPR-E-000-017110**

**Hybrid Threats**

**Position for:**

Trainee  
1 position

As the science and knowledge service of the Commission, the mission of Joint Research Centre is to support EU policies with independent evidence throughout the whole policy cycle.

The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: <http://www.jrc.ec.europa.eu>

**Short description of activity:**

Within the JRC, a team of experts is working in the domain of Hybrid Threats in order to develop the necessary knowledge for supporting the implementation of EU policies in this matter.

The successful candidate will collaborate with this team to contribute to open source intelligence related to Hybrid Threats actors, bibliographic research and support the development of the respective documentation.

**Qualifications:**

**Essential:**

- Relevant degree in security studies and international relations. This includes international security, grand strategy and international relations.
- Good familiarity with the European Security Agenda
- Good knowledge of spoken and written English is mandatory (Level B2 at least)
