**Graphics support and Infographics to
communicate on Science for Policy**

Position for:

Trainee

As the science and knowledge service of the Commission, the mission of DG Joint Research Centre is to support EU policies with independent evidence throughout the whole policy cycle.

The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: <http://www.jrc.ec.europa.eu>

Short description of activity:

The Thematic coordination Unit of the Directorate for Knowledge Management is looking for a trainee to work with the Visual Communication team of the unit. He/She will contribute to the development of communication tools for the JRC, aiming at better communicating our role as the European Commissions' science and knowledge service.

The role of the trainee will be, under supervision of the Traineeship adviser:

- to develop info graphics on scientific topics and science for policy making;
- to design banners, posters, flyers and lay-out of publications;
- to develop graphical design for on-line purposes and social media, as well as for printed material.

Qualifications:

Essential:

- a degree in a relevant topic such as Graphical Design;
- excellent knowledge of Adobe CS tools;
- good writing and oral communication skills and assertiveness, as well a problem solving attitude;
- good level of English (B2 level).

	<p><u>Advantage:</u></p> <ul style="list-style-type: none"> - Knowledge of Italian is an asset. - Relevant experience in graphical design, info-graphics and graphics for on-line use will be considered an asset. <p><u>For general eligibility requirements, please read the rules governing the traineeship scheme of the JRC:</u></p> <p>https://ec.europa.eu/jrc/en/working-with-us/jobs/temporary-positions/jrc-trainees</p>
