| <p>Position for:</p> <p>Trainee</p> | <p>As the science and knowledge service of the Commission, the mission of Joint Research Centre is to support EU policies with independent evidence throughout the whole policy cycle.</p> <p>The JRC is located in 5 Member States (Belgium, Germany, Italy, the Netherlands and Spain). Further information is available at: http://www.jrc.ec.europa.eu</p> <p><u>Short description of activity:</u></p> <p>The current vacancy is with the Demography, Migration and Governance Unit, of the Space Security and Migration Institute. This Unit carries out research in support of EU policies on migration and is responsible for the European Commission's Knowledge Centre for Migration and Demography.</p> <p>We are looking for a Trainee to contribute in providing support to the scientific and editorial tasks in the Migration and Demography Unit, in particular he/she will contribute to the activities of the Migration Profiles. The Migration Profiles aim at filling the knowledge gap on targeted information in the short-term in key third countries, by providing tailored and swift analysis fundamental for the response and monitoring of crisis situations, international relation progresses and migration movements.</p> <p>In detail, under supervision of the Traineeship Adviser, he/she will monitor migration and demography - related information, including potential stressors for migration at regional, national and sub-national level.</p> <p>The trainee would assist and collaborate to search for, collect, select, manage, analyse and eventually summarise information on some of the main countries of concern (mainly countries of origin in Africa). This will be based on open sources information (OSint) such as newspapers articles, reports, studies, public statements, and operational data at sub-national level. The trainee will be asked to perform as well tasks related to the compilation of infographics and editorial tasks.</p> |
